#### CARC MEMBERSHIP

Do you know if your fellow Ham buddies are members of the Canton Amateur Radio Club?

Each year, we publish the list of members for your information. In this issue, we thought we would try something different. The list will be published but with a different twist. All the information in the computer is included. For being an affiliated club and a Special Service Club, we must maintain over a 50% membership in the ARRL. When you join, or renew, and you completely fill out the membership application, we can keep up the data. Also, included is your license expiration date, so the Secretary can send you a 610 form before your license expires. Please check over your listing and let Bill KBJZN know if there are any corrections or additions to your record. You can drop a card or give the info over the air or phone. It will be appreciated. Help us keep the records up to date. Also, remember that this Feedline is mailed 3rd class and it will not be forwarded if you change addresses.

THE 12TH ANNUAL WHEELING HAMFEST  
AND  
COMPUTER FAIR

\*\*\*\*\*

Sunday May 20, 1990  
8:00 AM to 3:00 PM  
White Palace - Wheeling Park  
Wheeling, West Virginia

THE ONE HAMFEST YOU DON'T WANT TO MISS !

3

MARCH CARC MEETING MINUTES

The March 21, 1990 regular meeting of the Canton Amateur Radio Club was called to order by President Joe Vignos W1FEZ, at 7:35 PM, at the Emergency Preparedness Center. A round of introductions followed with 48 members and 4 guests in attendance.

There were no additions or corrections to the minutes of the February meeting and they were approved as published.

The Alliance Amateur Radio Club is having their annual Ham Radio Show at the Carnation Mall in Alliance Saturday April 7th and Sunday April 8th. Special guests will be Mark Koontz from WJW-TV 8 and Dan Ehret from the F.C.C. District Office in Detroit. Tickets will be available for their May 3rd drawing. There will be demonstrations of CW, SSB, RTTY, Satellite Communications, Amateur Television and Packet Radio.

The club still has several copies of "Operating an Amateur Radio Station". These are available in the club's radio room.

The Treasurer reported \$6340.00 in the club treasury.

The President gave a report on the February 13th Trustee Meeting. The topics covered by the Trustees, included Field Day, the Special Interest Groups, the Club Equipment Status, the Expense Budget and a proposed Stark County Radio Club joint meeting, to coordinate ARES activities.

Frank WB7UY, reported on the status of the club's equipment. Some items have been sold and offers made on others. The equipment donated from the Timken Co., has been tested and is available for inspection at Frank's place.

Frank also reported on Field Day. The club is still looking for a Chairman. Dave Ost WD8PTU will help the new chairman to get things set up and moving. Frank suggested a Mini Hamfest, to be held at Field Day, to show off and hopefully sell some of the club's equipment. An unofficial poll of the members present, showed much support for this idea.

Joe W1FEZ, discussed the Expense Budget. The budget will allow certain operating expenses to be paid such as Feedline, Liability Insurance, Refreshments, etc., by the club officers, without the vote of the membership. Major expenditures will be put before the membership for approval.

John McGeorge KEBNZ, moved that the club accept the budget, seconded by Tom Streb N8KZZ. The motion passed.

Myron Koyle NBDHT, reported on the Club Trailer project. The ARRL sent a list of clubs that have communication trailer and vans. Letters were sent to the clubs listed, asking for suggestions and helpful information.

Joe reported the other SIG's, that showed the most interest, now have Chairman and Trustee Coordinators. The Digital Communications

Chairman is Chuck Henley N8LIV and Bob Carswell KA8MNS is the Trustee Coordinator. The Club Repeater Chairman is Scott Duncan KK8D and Frank Dearman WBTUY is Trustee Coordinator. Transmitter Hunting Group Chairman is John Myers WX8G and Frank WBTUY is Trustee Coordinator.

Sign-Up sheets are still available for those who still need to sign up.

**WBEK Report:** Ken reported the Division News Letter is out. There is a proposal before the F.C.C., to move the 80 meter Novice sub-band, from the present 3700 - 3750 khz to 3675 - 3725 khz. This is an effort to reduce interference with the Canadian 80 meter phone band that starts at 3725 khz.

New call signs issued as of March 1st, WZBW for Extra Class, (this is the end of the 2 X 1 calls for the area) Extra Class Operators will now be issued 2 X 2 calls. The Advanced Class is up to KF8ES, General / Technician Class is up to N8LXN and the Novice Class is up to KB8JFB.

Bill KBJZN, is trying to compile the history of the club and needs our help. Anyone with any information regarding the club officers from 1944 to 1949 and from 1951 to 1959, please contact Bill.

The 50/50 drawing: \$21.00 was won by Jess Wilson W8LDQ.

On a motion by John McGeorge KE8NZ, the meeting adjourned at 8:36 PM, for coffee, donuts and eyeball QSO's.

Respectfully Submitted By  
Sandy Shrigley KB8FZX  
CARC Secretary

#### PREZ FEZ SEZ

My how time does fly by when you're having fun! April is only two days old and we all have lost an hour already. Before we know it, Field Day will be beckoning and the old antennas and towers will be brought out of mothballs. Frank WBTUY, has been talking about increasing the family activity to make the event more attractive to all our members and friends.

In the past month we have kicked off three more Special Interest Groups "SIG'S", in hopes of promoting more member participation as well as to enhance the knowledge and skills of the members from those in the group that have acquired some experience in a particular segment of our hobby.

The three new SIG's are:

CLUB REPEATER, chaired by Scott Duncan KK8D

DIGITAL COMMUNICATION, chaired by Chuck Henley N8LIV

TRANSMITTER HUNTING, chaired by John Myers WX8G

Those that have signed up for participation, will be hearing

directly from the Chairman. The rest of us will be getting reports from them about their activity from time to time. At this month's Club Meeting, you will be given another opportunity to join their group. All are welcome!

I would also like to get something going in the next month for those who expressed interest in BUILDING PROJECTS (the kit kind) and in DX'ing.

To date, thirty seven (37) members have signed-up for SIG groups. Some of these members have signed up for several groups. We usually have 40 to 50 at a meeting and a membership roll of 200+. I really want to hear from more of the members. Even though it is impossible for some of you to get to our club meetings, you can still participate in one of the SIG's, as they will be doing things on their own schedule.

So if you can't get to the meetings, just drop the SIGN-UP FORM to me and I'll get it to the appropriate chairman.

JOIN, LEARN, SHARE and ENJOY YOUR HOBBY!

73

THE FEZ

\*\*\*\*\*

#### SIGN-UP/COMMENT SHEET

I am willing to participate in the following:

DIGITAL COMMUNICATIONS

CLUB REPEATER

TRANSMITTER HUNTING

DX

BUILDING PROJECTS

CLUB PROJECTS - TRAILER/VAN

OTHER INTERESTS or comments

YOUR NAME & CALL

## DIGITAL COMMUNICATIONS GROUP FORMED

The club has established a DIGITAL group, to promote a better understanding of DIGITAL COMMUNICATIONS within our membership. The group is currently made up of Chuck N8LIV, Bob KABMNS, Craig N8KNW and Julius KDBXD. These four Hams are now operating Packet, Baudot (RTTY), Amtor and printing FAX. They are using both IBM DOS and Commodore terminal programs. The Digital Group will be inviting interested members into their shacks for 'hands-on' experience. The initial plan is to work in groups of two or three. The number of meetings that each group will have, is dependent upon the special interest within that specific group. There will also be help available to members who wish to get a digital station up and running. Any member who may be interested in checking out an operating digital station, should telephone Chuck N8LIV at 494-9005.

Sincerely

Chuck N8LIV

## ICOM SERVICE - By KABRSP

Icom now has a Service Center in Atlanta, GA. My initial experience with the center, was very refreshing.

They:

1. Answered the phone promptly. (No constant busy signal)
2. Provided knowledgeable, helpful info on phone.
3. Provided excellent turnaround on equipment (10 calendar days from shipment to return)

Address is:

ICOM AMERICA  
Suite 201  
1777 Phoenix Parkway  
Atlanta, GA 30349

(704) 991-6166

\*\*\*\*\*

FOR SALE - One owner YAESU FT-727R H.T. 2m and 70cm in very good condition. Five or .5 watt RF output with fairly new battery. Just checked out by YAESU and tested TX/RX to factory specs. Includes charger, soft case, DC car adapter/trickle charger, headset for VOX operation, manual and schematic, asking \$375.00. Contact Pat WB8VLK at home: 477-7778 or office: 453-2525.
